# Verse 1

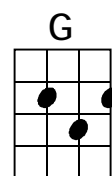

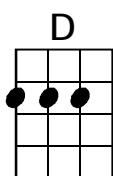

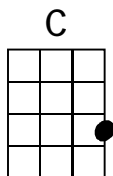

**When this old world starts getting me down,**

**And people are just too much for me to face.**

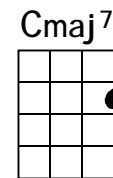

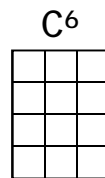

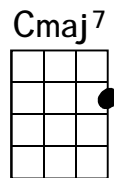

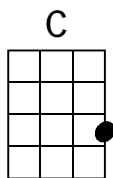

**I climb way up to the top of the stairs,**

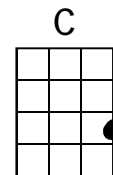

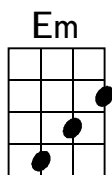

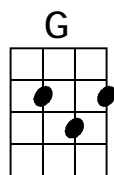

**And all my cares just drift right into space.**

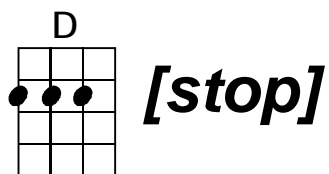

# Verse 1

**On the roof, it's peaceful as can be.**

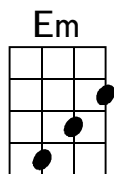

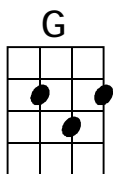

**And there the world be-low can't bother me.**

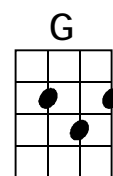

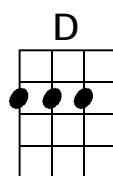

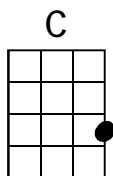

**Let me tell you now, when...**

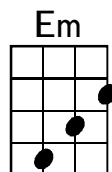

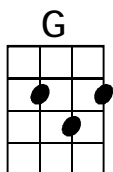

# Verse 2

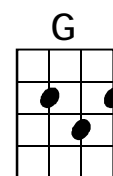

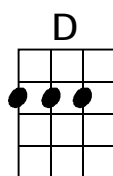

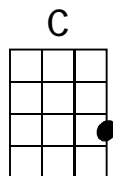

**I come home feelin' tired and beat,**

**I go up where the air is fresh and sweet.**

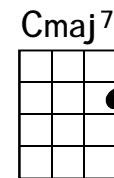

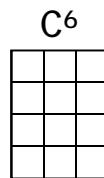

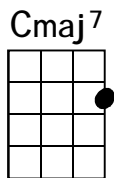

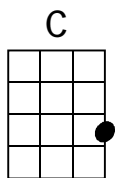

**I get away from the hustling crowd,**

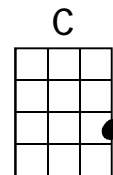

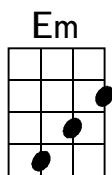

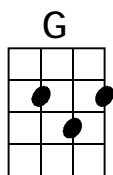

**And all that rat-race noise down in the street.**

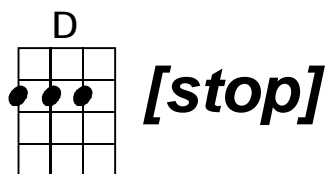

# Verse 2

**On the roof's, the only place I know,**

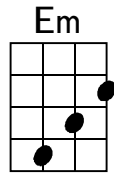

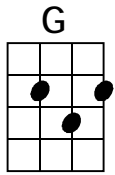

**Where you just have to wish to make it so.**

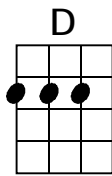

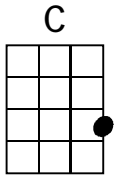

**I keep a-tellin' you that...**

Right smack dab in the middle of town,

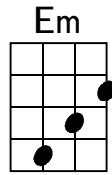

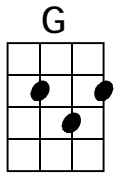

I've found a para-dise

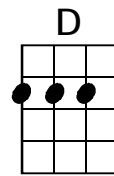

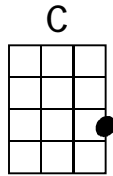

that's trouble-proof. *[Up on the roof]*
